BRIEF ABSTRACT OF LETTER

Requests sanction to the recommendation of the Vice-President of the Ayurvedic Committee to grant an allowance by raising the existing rate of Rs. 10 to Part-time Lecturers in [illegible] ten monthly payments in [illegible] -1-1934

NOTES AND ORDERS.

The references quoted by the M.C in the above letter are perused. Under the authority of the Govt orders passed in the matter from time to time, there are at present 4 Lecturers, 3 on Rs. 25/- p.m. and 1 on Rs. 50/- per and two Science Attendants who are also working part-time, in the Ayurvedi and Navari College at Colpetty. These Part-

time Lecturers and Attendants, it is reported by the M.C. are being paid the allowance sanctioned to them, for the full 12 months in the year. After the lapse of 4 to 6 years, the Comptroller has now objected to the payment of the allowance for all the twelve months including the Summer Vacation in the absence of specific Sanction of Govt.

3) The College Committee consider that in view of the fact that these part-time Lecturers have been doing tutorial work, like the permanent staff, it would be most desirable to reduce their emoluments for the year, the same being supported by budget policies and they are of opinion that the total ~~emoluments~~ Allowances for them for the year provided in the budget may be considered as allowances for 10 months and be paid accordingly. The M.C requests Sanction to this proposal.

Can be allowed under the allowed Sanctn to them, monthly only in the period of ten months, for during which they are expected, if not required, to work and not for the Summer Vacation of 2 months during which the College will be closed. The basic principle for all the 12 months in the year on of the allowances due to these Lecturers has been made in the Budget estimate is no reason as to why such allowances should be paid to them for all the 12 months, without Sanction of Govt. therefor as now objected to by the Comptroller.

4) The proposal of the M.C involves an extra cost of Rs 272 per year and also the removal of the distinction between part-time and full-time Lecturers.

5) Pleased may perhaps be consulted in the matter.

P.T.O.

The recommendation of the M.C. may be sanctioned as explained by him with Fl Concurrence.

Allowances to Part-time Lecturers in Ayur. College

File No. 2057 of 1934

General and Revenue Secretariat

In the University and Education Departments similar part-time allowances are allowed for only nine or ten months in the year. There is no reason why the allowance should be given for the whole year or the aggregate allowance payable for 12 months should be commuted into ten monthly payments as now proposed, in the Ayurvedic and Unani College. I would therefore state that the present rate of allowance (monthly) may be required to be drawn for only ten months.

part-time workers is being paid for the full twelve months in the year. The Comptroller to Government has now objected to the payment of the allowance for all the twelve months including the summer vacation in the absence of specific sanction of Government. The Vice President, in consultation with the College Committee, states that it is not desirable to reduce the emoluments of these lecturers in the circumstances explained in his letter No.261 dated 15-1-1935 (copy enclosed) and recommends that the aggregate allowance payable for the twelve months may be commuted into ten monthly payments. I agree with him and request that sanction of Government may be accorded to his proposal with effect from 1st July 1934.

Sir,
Your most obedient servant,

N. Madhava Rao
Muzrai Commissioner.

Letter No.261 dated 15-1-35 from the Vice President, Ayurvedic and Unani College Committee, Mysore, to the Muzrai Commissioner in Mysore.

---

I have the honor to state that the Comptroller having taken objection to the payment of allowances to part-time lecturers of the College during vacation period, without specific sanction of Government, as mentioned in Principal's letter No.975 dated 9-6-1934 the subject was placed before the College Committee in their meeting dated 6-12-1934. The question was considered at length, and in view of the fact that the part time lecturers have been doing tutorial work, like the permanent staff, it was thought undesirable to reduce their emoluments for the year, the same being supported by budget provision. In order, however, to overcome the objection raised by the Comptroller, it was resolved that the total allowances for them for the year provided in the budget may be considered as allowances for ten months and be paid accordingly. A copy of the Resolution is herein enclosed and I request that sanction may kindly be obtained to the Resolution and communicated. The names of the part-time lecturers, the rate of the allowance sanctioned and the rate proposed are given in Principal's letter No.~~X~~ 440 dated 19-12-1934.

Letters Nos.975 dated 9-6-1934 and 440 dated 19-12-1934 received from the Principal are enclosed herewith in original.
